

# Corporate Agreement

## How the City YMCA, London corporate agreement works:

It just takes 3 people from the same organisation to join at the same time. Once the agreement has been signed, everyone from their organisation will receive the special corporate rate with City YMCA, London.

## How much will it cost?

Our corporate agreement only costs £20 per month per customer with a one off set up fee of £25 per member.

## How long am I joined up for?

Our corporate agreement runs for 12 months. We are happy to cancel your agreement before 12 months if you provide a letter stating an employment redundancy or relocation.

## What does my agreement include?

You can receive a full induction on joining and a personal programme written when ever you are ready. You can also have your personal programme updated once every six weeks. Our agreement also includes limited studio classes. If you just want to begin and don't need an induction just sign your waiver form at reception when you join up.

## Gym Opening Times

Weekdays 05.00 — 21.30

Weekends 08.00 — 18.00
